EDUCATION

Bachelor of Mechanical Engineering
Kansas State University | Manhattan, KS | Graduation Date: May 2027

Mechatronics Engineering
Hesston College | Hesston, KS | 2023

EXPERIENCE

Manufacturing Engineering Intern
AGCO | May 2026 - Present

- Designed and implemented decal placement templates to improve assembly accuracy and reduce defects
- Reverse engineered components for a powder coating system and developed 3D-printed replacement parts, reducing replacement costs by over 90% compared to OEM components
- Designed and prototyped a wireless RPM sensor system using Arduino technology to improve operator safety and streamline equipment calibration procedures
- Developed process improvement solutions including paint protection devices, assembly tolerance aids, and torque mapping documentation to improve product quality and manufacturing efficiency

Gold Harvest Design Engineering Intern
AGCO | Hesston, KS | May 2025 - Aug 2025

- Created and revised drawings for parts and assemblies
- Modeled new components in CAD for prototype and production use
- Updated CAD parts to ensure compliance with new combine emissions regulations

SKILLS

Creo Parametric, Dassault Systemes SOLIDWORKS, Microsoft Office, Manufacturing Systems, Problem Solving, Technical Communication, Collaboration

CERTIFICATIONS & LICENSES

Certified SOLIDWORKS Professional - Design
Dassault Systèmes | May 2026

Certified SOLIDWORKS Professional - Sheet Metal
Dassault Systèmes | Feb 2026

ACTIVITIES AND INVOLVEMENT

Member

Helwig Farms Quarter Scale Tractor Team, Kansas State University | 2024 - 2026

KSU Car Club, Kansas State University | 2024 - 2025

Hesston College Mens Golf Team, Hesston College | 2023 - 2024
